Coupon Redemption Service (RMA)

RMA offers to its members a Coupon Redemption Service tailored especially to the needs of the independent retailer and wholesaler. RMA has been processing coupons for over 40 years and it works as follows:

Retailers submit coupons to RMA who in turn sorts, tabulates and invoices all coupons by individual retailer to the appropriate clearing house.

RMA reimburses you, the retailer, for the full face value of coupons.

RMA also reimburses you for the manufacturers handling allowance, less a small fee per coupon to be negotiated or determined based on volume.

Your payment is forwarded to you immediately upon receipt from clearing house, generally within four to six weeks.

Our extensive experience leads us to believe that we can minimize your costs and therefore would like the opportunity to handle your coupons.

Please contact us at info@rmaCanada.com or call us at 416-293-2100.
